

The IAGG Asia/Oceania Regional Congress 2023 was held in Yokohama from June 12th to 14th, 2023.

We have hosted the IAGG or IAGG/AOG meeting 3 times in Japan, in 1978, 1991 and 2003.

In 1991, held at Yokohama, here. Chaired by Professor Hajime Orimo, 700 participants joined from 29 regions.

In 2003, held at Tokyo, Chaired by Professor Yasuyoshi Ouchi, More than 1,000 participants joined from 34 regions.

And this time, in 2023, held at Yokohama, Chaired by Professor Kenji Toba, More than 1,500 on-site participants joined and had a heated discussion during the Congress.

- **The policy of the congress and our center TMIGG**

With-aging

**To shine brightly at any age.
We contribute to promoting well-being with or without dependence or cognitive decline by wisdom sharing.**

Chair : Kenji Toba
